

TRUSTED KAZAKHSTAN

What makes you an Astana Hub resident

Three things decide it —
most founders know only one.

01

Your activity

It has to be genuine IT or tech work.
This part most people get.

02

The structure

How you register matters as much as that you register — the wrong setup costs you.

03

Compliance

0% tax until 2029 comes with simple rules.
Follow them and the upside is yours.
