

TRUSTED KAZAKHSTAN

How to get a **Digital Nomad** visa for Kazakhstan

The real steps — from someone who reviews them every week.

01

Check you qualify

Built for IT and tech professionals from priority fields. If that's you, you're in scope.

02

Apply

You send the documents. We moderate and verify them on our side.

03

Skills check

A short review and a quick interview —
we confirm you're the real thing.

04

The petition

We issue the official paperwork for your residence permit.

05

You're in

Legal to live and work in Kazakhstan,
with the program's benefits.
